1. This Ro-me-o is bleed-ing
   (Verse 2 see block lyric)

   but you can’t see his blood—

   it’s no-thing but some feel-ings
   that this old_ dog kicked up——
It’s been raining since you left me now I’m drowning in the flood,

you see I’ve always been a fighter but without you I give up.

Now I can’t sing a love song like the way it’s meant to be, well I
guess I’m not that good anymore, but baby that’s just me.

Yeah,
I will love you baby,
always and I'll be there forever and a day,
always.
I'll be there till the stars don't shine, till the
heavens burst and the words don't rhyme, I know when I die, you'll be on my mind and I'll
To Coda

love you, always.

2. Now your
If you told me to cry.

for you, I could.
If you told me to die for you, I would...

Take a look at my face, there's no price I won't pay, to

say these words to you.
Well there ain't no luck in these loaded dice... but baby if you give me just one more try... we can pack up our old dreams and our old lives... we'll find a place... where the sun still shines yeah...
Verse 2:
Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye.

What I’d give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers
Try to understand, I’ve made mistakes, I’m just a man.

When he holds you close, when he pulls you near
When he says the words you’ve been needing to hear
I’ll wish I was him, ’cause those words are mine
To say to you till the end of time.

is almost more than I can take.

And baby when you touch me I can feel how much you love me

and it just blows me away.

I've never been this close to any one or any thing.
I can hear your thoughts, I can see your dreams.

I don't know how you do, want you do, I'm so in love with you.

It just keeps gettin' better.

I wanna spend the rest of my life with you by my side.
Ev'ry little thing that you do, baby I'm amazed by you.
Ev'ry little thing that you do,
I'm so in love with you.

It just keeps gettin' better.
I wanna spend the rest of my life.
Verse 2:
The smell of your skin
The taste of your kiss
The way you whisper in the dark
Your hair all around me
Baby you surround me
Touch every place in my heart
Oh, it feels like the first time everytime
I wanna spend the whole night
In your eyes.

I don’t know how you do what you do etc.

And I would do anything for love.
I'd run right into hell and back.
I would do anything for love.
I'd never lie to you and that's a fact.

But I'll never forget the way you feel right now, oh, no.

And I would do anything for love, but I won't do that.

No Ordinary Love  
Words & Music by Adu & Matthewman

I gave you all the love I got I gave you more

than I could give, I gave you love, I gave you all
that I have inside and you took my love, you took my love.

Didn't I tell you what I believe.

Did somebody say that a love like that won't last.

Didn't I give you all that I've got to give baby?
I keep crying,

There's nothing like you and I, baby.

This is no ordinary love,

no ordinary love.
This is no ordinary love,

When you came my way

you brightened every day with

your sweet smile.
Didn't I tell you what I believe.

Did somebody say that a love like that won't last. Didn't I give you all that I've got to give, baby?
This is no ordinary love,

Save The Best For Last
Words & Music by Jon Lind, Wendy Waldman & Philip Galdston

Sometimes the snow comes down in June.

Sometimes the sun goes round the moon.

Sometimes the silly girl had set you free.
I see the passion in your eyes.
You wondered how you'd make it through.
Just when I thought our chance had passed,

Sometimes it's all a big surprise.
I wondered what was wrong with you.
You go and save the best for last.

'Cause there was a time when all I did
'Cause how could you give your love to some-

Was one wish you'd tell me this was love.
It's not the way I hoped or how
Sometimes the very thing you're looking

I planned, but somehow it's enough.
Is the one thing you can't see.

And now we're standing facing to face.
But now we're standing facing to face.

Isn't this world a crazy place?
Just when I thought our chance had passed,
you go and save the best for last.

All of the nights...
one thing you can't see.

Sometimes the snow

You went and saved the best for last.
